Allergies, Drug Intolerances and other useful information

ELASTOPLAST - CONTACT DERMATITIS

MIGRAINE INDUCED BY CAFFFINE

Notes to prescribers

Write legibly in black ink and use approved names for all drugs (Except where trade names are essential). Please avoid use of decimal point where possible.

Any changes in drug therapy must be ordered by a new prescription, DO NOT alter existing

This prescription sheet is valid for two weeks only.

Antibiotics:

Review IV antibiotics after 24 hours.

The IV route should be changed to oral as soon as clinically possible.

Please indicate a stop date when initiating oral treatment.

Pre-medication, Once only drugs and Prophylactic Antibiotics
